

# Winter Archery Club 2020:

Practice starts Tuesday, January 28th-February 25th.

This is a collaborative and competitive team that will shoot after school on Tuesdays in January and February. It is open to anyone who has shot with Mr. Doug at Renaissance in the past.

We will practice at the NASP distances, but we will also shoot at round, 3D, hanging targets, apples, and maybe some balloons. Will will also play some archery games... tic-tac-toe, battleship, and slay the dragon.

We will practice on Tuesdays in January (the 28th) and February (4th, 11th, 18th, & 25th) from 4:00-5:00 pm. I can accommodate 28 shooters for this opportunity. There will only be one shooting group, therefore the cost is slightly higher.

## What you get:

- Practice 1 day per week, from 4:00-5:00.
- Coaching and instruction by Doug Baker, P.E. teacher at Renaissance and Certified Archery Instructor.
